Thursday	<p>Cosmic Kids Yoga</p> <p>Squish the Fish click the link below https://www.youtube.com/watch?v=LhYtcadR9nw</p>	Break	<p>Children to go through their phase 2 and phase 3 sounds. Say the sound out loud. (See sound mat below).</p> <p>Use the lesson to recap multi syllable words. https://www.youtube.com/watch?v=JUBnHKBRlg&feature=youtu.be</p> <p>Challenge: Read a book to an adult using phonics knowledge. https://www.oxfordowl.co.uk/home/finda-book/library-page?view=image&query=&type=book&age_group=Age+4-5&level=&level_select=&book_type=&series=</p>	<p>Maths Lesson</p> <p>Click on the link below to sing along to the number bonds song. https://www.youtube.com/watch?v=ID9tjBUiXs0</p> <p>Recap with bonds to 5. Explain that we are looking at subtraction today as we have previously looked at subtraction.</p> <p>Use objects to subtract, always start with 5 and take away from 5. Say the number sentence 5 takeaway 1 equals 4.</p> <p>Now look at 10 starting with 10 objects, can the children remember the addition bonds, use the pattern to explain the subtraction facts.</p> <p>See the sheets below. Encourage the children to solve the number bond questions. Can you find the answer to ones that are missing ?</p>	Lunch	<p>Choose an activity from the Rainbow Fish home learning sheet-see sheet below.</p>	<p>Today you are going to use the worksheet below to practise writing tricky words.</p> <p>If you are unable to print it, write it out on paper using a highlighter pen children can trace over. If they can form letters correctly, encourage them to write it without tracing.</p>	<p>Watch Alphablocks.</p> <p>https://www.youtube.com/watch?v=bORaqCmIT7o</p>

Reception Lesson Plan

Make sure they are forming the letters the correct way, always starting from the top and they are writing on the line.

Reception Lesson Plan

Number bond sticks Subtraction within 10

Can you complete these subtraction number sentences using number bonds to 10?

Example:

$$10 - 3 = 7$$

Can you write a matching subtraction number sentence below each picture?

$$10 - \square = \square$$

$$10 - \square = \square$$

$$10 - \square = \square$$

$$10 - \square = \square$$

$$10 - \square = \square$$

$$10 - \square = \square$$

$$10 - \square = \square$$

$$10 - \square = \square$$

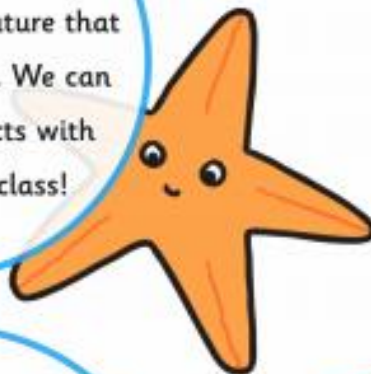

$$10 - \square = \square$$

Rainbow Fish

Home Learning Challenge

Use books or the Internet to find out 2 facts about a creature that lives under the sea. We can then share our facts with the rest of the class!

Draw a fish with 6 spots. Colour 3 spots in your favourite colour. How many spots are left? Choose a different colour for these spots.

The Rainbow Fish gave away his most prized possession, his scales. What is your most prized possession? Draw a picture of it and write a sentence to say why it is special.

Make a different rainbow animal. It can be any animal you like. You could colour it in, paint it or even make a collage.

The Rainbow Fish learnt to be a good friend. Talk to an adult at home about the different ways to be a good friend.
