Wednesday	<p>Joe Wicks Morning Exercise</p> <p>Click on the link below to access the workout.</p> <p>https://www.youtube.com/user/thebodycoach1/video</p>	Break	<p>Children to go through their phase 2 and phase 3 sounds. Say the sound out loud. (See sound mat below).</p> <p>Children to sing along to the tricky words song: Click link below: https://www.youtube.com/watch?v=R087IYrRpgY</p> <p>Watch Billy teach you the phase 2 tricky words! Click on the link below. https://www.youtube.com/watch?v=tAHH_ztPlzrE</p> <p>Can you write down the tricky words: I, no, to, the, into, go.</p> <p>Challenge:</p> <ul style="list-style-type: none"> Choose a book to read. Make a free account to access the books. https://www.oxfordowl.co.uk/for-home/find-a-book/librarypage?view=image&query=&type=book&age_group=Age+4+5&level=&level_select=&book_type=&series= 	<p>Start of the lesson by counting from 1-20 Recap tens frame. Watch the video if you do not understand how to use a tens frame. Keep practising with different numbers until your child understands. https://www.youtube.com/watch?v=CNjnuyWWbKk</p> <p>Today we are going to be looking at subtraction. Starting with number bonds to 5 then 10. Recap the bonds previously learnt. Use the sheet as a visual below. This time we are going to always start with the largest number then subtracting your numbers e.g. 5-0=5 5-1=4 5-2=3 5-3=2 5-4=1 5-0=5 Use objects start with 5 and take away 1, then 2, up to 5. Say the number sentence.... 5 take away/subtract 1 equals 4.</p>	Lunch	<p>Choose a rainbow fish activity from the home learning sheet below.</p>	<p>Fine motor activity-Peg game.</p> <p>Children to use pegs to transfer small sized items from one pot/container to another. Children to move materials from left to right then right to left. Change the position of container and sizes of materials within. You could add additional challenges using a timer or seeing how many pieces children can transfer in one minute.</p> <p>This will help strengthen fine motor skills, helping</p>	<p>Children to choose their favourite book and read with their parent on the link below: some books for children to read along and</p> <p>https://www.bo-oktrust.org/andreading/havesomefun/games/</p>

children to strengthen their finger muscles.

Practise squeezing the pegs together a number of times.

Rainbow Fish

Home Learning Challenge

Use books or the Internet to find out 2 facts about a creature that lives under the sea. We can then share our facts with the rest of the class!

The Rainbow Fish gave away his most prized possession, his scales. What is your most prized possession? Draw a picture of it and write a sentence to say why it is special.

Make a different rainbow animal. It can be any animal you like. You could colour it in, paint it or even make a collage.

Draw a fish with 6 spots. Colour 3 spots in your favourite colour. How many spots are left? Choose a different colour for these spots.

Five Green Bottles Number Bonds to 5

Some green bottles have fallen off of the wall. There should be 5 altogether. Can you draw the bottles that have fallen off the wall and complete the number sentences?

$1 + \square = 5$

$4 + \square = 5$

$2 + \square = 5$

$5 + \square = 5$

$3 + \square = 5$

$0 + \square = 5$
