

Week 5 - Topic - Year 1

Moon Zoom! Alien Landings

Monday

Watch the story Beegu by Alex Deacon on YouTube.

Discuss the story with an adult. Look at different alien spaceships from books and stories.

Wednesday

Design a model of a spaceship.

Use the information from books and stories to help you from your previous research on Monday.

Tuesday

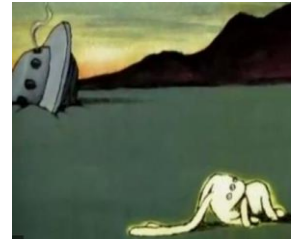

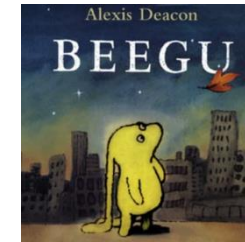

Draw in a book or use the shape tool on your computer to create an amazing alien.

Add some colours, patterns and interesting features.

Thursday

Use junk materials in your home to make your spaceship.

Take digital pictures of your work in progress.

Friday

Complete your spaceship today.

Present your alien spaceship to your family.

Talk about the design and the materials used to make it.

Moon Zoom!
