

Friday's reading challenge

Below are some challenges. Select one to complete today. Share your work or photos with us so we can see how creative you have got @ wdv.year2@oasiswoodview.org

Challenge:

1. Re-read one of your favourite books, then write a new version by changing the ending. Read your new and improved story to your family.
2. Become one of your favourite story characters. Dress up like them and re-enact one of the scenes from the story. Remember to work on expression and intonation.
3. Open any book and select five random words. Use these words to create your own silly story to share with your family.
