

## Topic, Science and Spanish Activities

Week Beginning 27<sup>th</sup> April 2020

### Gods and Mortals

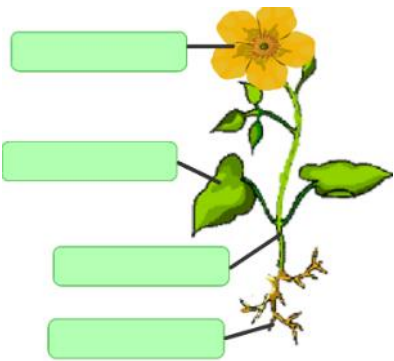

Lets move onto Gods and Mortals!

For this weeks activity, pick your favourite God or one that you'd like to know more about. You may want to pick from the ones we have already learnt:

- Zeus
- Hera
- Poseidon
- Ares

Can you create a fact file researching all that you know. - Can you teach a member of your family?

### Science- Plants and Living things

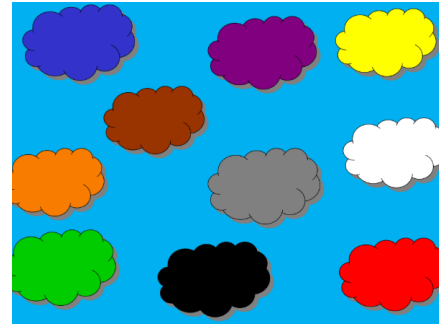

For science this week, draw your own flower, labelling the parts. You will need to include: petal, roots, stem and leaves.

Next, can you tell describe the function of each part?

Make it as colourful as you can!

### Spanish

Blanco
Azul
Naranja
Negro
Gris
Verde
Violeta
Marron
Rojo
Amarillo

Remember these colours? Here are the names of them in Spanish, can you write the English name next to the correct Spanish name for each colour?

You can even test your family members too!

**Don't forget- you can get help with your work or send pictures of what you have been doing by emailing [wdv.year3@oasiswoodview.org](mailto:wdv.year3@oasiswoodview.org)**
