Writing: Creative Writing

Can you blow me away with some amazing creative writing? Here's an interesting idea for a story starter.

Try and include the following:

1) A "Many questions" sentence:

Example: "Why was the snow made out of Marshmallow Crème? Who had done it? A witch? A wizard? A freak weather event?"

2) A "list" sentence

Example: "It was the most incredible, sweet, creamy and mouth-watering thing that she had ever tasted"
