

Home Learning- English

Monday 18th May 2020

As it is Monday, I would like you to work on your journal today. By now you should have two pages: one page all about you, and another all about your family (if you haven't got that far, you can either start from task 3 or you can add those pages in)

Task 3

Think about your time at home, what has Lockdown been like for you so far? You could answer these questions in your journal (remember to write in full sentences). Or you could write it your own way!

- What are you enjoying about being at home?
- What are you not enjoying about being at home?
- Have you learnt any new skills or done anything for the first time?
- What are you most looking forward to doing when Lockdown ends?

Here's my example: *I have been at home for 50 days now! At first, I was finding it very difficult because I was getting bored and getting worried, but I have found lots of ways to enjoy my time at home. I have been gardening and reading a lot and spending time playing games and cooking with my children. The hardest thing about lockdown is feeling down about missing people. I am missing my mum, and the children at school a lot, however I know it is important that we stay apart and stay safe. I have learnt a lot of new recipes during the last few weeks, when Lockdown ends I am most looking forward to going to see my mum. I will give her a big hug and I'll take her a slice of lemon drizzle cake (which is a new recipe that I have learnt to bake).*
