

Monday 8th June- Writing: Journal Writing- Week 5

It's Monday, so today is your day for writing in your journal. By now you should have the following four pages:

Page 1- All about you

Page 2- All about your family

Page 3- Your experiences in lockdown so far

Page 4- Your ideas about making the world a better place

If you don't have all of these don't worry, you can catch up or you can just start with today's activity.

Journal Page 5, is going to be all about your hopes and dreams for the future. I would like you to think about what you would like to be when you grow up, where you would like to live, and what you think the world will be like! Do you think the world will have changed? What new types of technology do you think there will be? Here are some pictures of what other people imagine the world will look like.
