Use Look, Say, Cover, Write and Check to practise these words until you can spell them accurately. You can use "rainbow writing" to write them out, or you can try and use them in sentences. I know spelling practise isn't the most exciting job! But you need to know these words ready for Year 4. I've put the whole list on the next page. If you are able to print things out, it might be a good idea to print out the next page and practise one or two words every day.
