

Topic for week beginning 15th June

L.K: To research Viking Gods

Your task is to research Viking gods and produce a fact sheet about them. You will need to pick at least two different Viking gods and provide the following information about them:

- Their name
- What they were responsible for (farming, war etc.)
- How they were worshipped
- Who they specifically looked after and why (farming god would look after farmers...)
- What powers they had

When you have finished and turned your notes into sentences, have a go at the following sheet and design your own Viking god! What powers will your god have and how would people have worshipped them?

Remember to send me your work at WDV.Year4@oasiswoodview.org to show it off or for me to look over/mark!
