Sentence Challenge

A simile is a way of describing something by comparing it to something else, often using the word "like" or "as."

- Can you identify all of the similes in my writing?
- Can you think of your own similes to use in your writing?

You could experiment using metaphors, or even personification to make your writing really exciting to read!

Sick Sentences

These sentences are 'sick' and need help to get better. Can you help? Could you add an adverb?

The dragon flew through the sky. The sun was shining in the sky. There were big clouds.

Perfect Picture

Can you draw what you think a dragon's home might look like? Think carefully about what dragons are fond of.
