English - Poetry

Hello Year 5, Miss Hodgson here. I hope you are safe and well. You are going to write an alliterative poem today. Please submit your work in the Class Dojo portfolio.

This poetry activity is all about alliteration and will be based on a poem called Delicious Dinners.

You need to think about your favourite food, and then add lots of words to describe it that start with the same letter. My example is about my favourite foods.

My Delicious Dinner

I love to eat spaghetti - super, slippery, stringy, scrumptious spaghetti
And I love to eat pizza - perfect, pristine pepperoni pizza...

Carry this poem on with words of your own. Try and use at least 6 different foods. If you like, you can change this into a Disgusting Dinner instead.
