English – Alliteration

Hello Year 5, Miss Hodgson here! I hope you are all safe and well at home.
Today's task is focussed on alliteration. Don't forget to send your work to:
WDV.Year5@oasiswoodview.org

Alliteration is the use of the same sounds at the beginning of several words which are closely linked together, and is often used in poetry.

Use alliteration to write an A-Z of animals. There are some examples below to help you.

An angry alligator anxiously acting.
Bashful badgers balancing on balloons.
Cheeky chimpanzees chomping on chips.

Extension ideas:

- **Design a safari park for all your wonderful creatures.**
- **Write a poem or a story which includes some or all of your animals.**
- **Draw pictures of your crazy animals and their antics! A partner could try and guess which one you have drawn.**
- **Make a collage of one of your animals.**
