LK: To count forward and backwards in decimal steps.

Hello All, Miss Dattani here, I hope you are all safe and well.

You do not need a printer to complete any tasks, please do your task on pen and paper and email me if you have any questions at WDV.year5@oasiswoodview.org

Your task is differentiated two ways:

-Section A is suited for one star (blue and green)

-Section B is suited for two and three star (yellow, orange and red table)

Today we will be counting backwards and forwards in decimals. Below is a decimal number line to refresh your memory of counting in tenths and hundredths.

Here is an example of counting in hundredths

0.01 0.02 0.03 0.04 0.05 0.06 0.07 0.08 0.08 0.09 0.1 0.11 0.12 0.12 ...

Section A

Fill in the correct 10th or 100th that completes each sequence.

- 1) 0.4 0.5 0.6 0.7 _____
- 2) 0.9 0.8 0.7 0.6 _____
- 3) 0.9 1 1.1 1.2 _____
- 4) 0.7 _____ 0.9 _____ 1.1
- 5) 2.4 2.3 _____ _____ 2

- 6) 0.73 0.74 0.75 0.76 _____
- 7) 0.32 0.31 0.3 0.29 _____
- 8) 5.67 _____ 5.69 _____ 5.71
- 9) 9.92 9.91 9.9 _____ _____
- 10) 10.32 10.33 _____ _____ _____

Section B

Find the missing numbers in the sequences

- 1) 2.3 2.4 _____ 2.7 _____
- 2) 5.4 _____ 3.0 2.4
- 3) 0.05 0.06 _____ 0.09 0.1
- 4) 0.18 0.16 0.14 _____
- 5) 0.22 _____ 0.3 _____ 0.38 _____
- 6) 0.5 _____ 1.5 _____ 2.5 _____
- 7) 7.2 7.0 6.8 _____ _____
- 8) 5.55 5.58 _____ _____
