

Week Beginning: 01.06.20

Topic

Scream Machine

Scream Machine was the latest topic we were learning about before the school closure. How much of this topic can you remember? Here are a range of activities that you can complete over the week. Please email your work over to WDV.Year5@oasiswoodview.org so that we can see all the fantastic learning that's taking place at home.

Build your own loop the loop track which a marble or toy car can run through successfully. Challenge family members to get the marble/toy car to fly off and land in a pot by changing the trajectory.	Plan a trip to a local theme park. Calculate how much it will cost, how long it will take to get there and plan an itinerary for the day.	Design your own theme park - draw a map, think about prices, build it using a range of materials e.g. Lego/K'nex
Make a flipbook to animate a rollercoaster ride that includes a loop the loop.	Research online to find information about rollercoasters around the world. Collect information about the longest/fastest/highest...	Research and write a biography of Walt Disney. Find the location of Disney theme parks around the world.
