Monday 22nd June

Looking Smart at Secondary School

Today you are going to create a page all about your new school uniform

Look on your new school website, or at any information that has been sent to you, to see exactly what you will need.

When you have done this, create a page like the page below, where you draw and label your new uniform and write why wearing uniform is so important.

Remember, you will also need sports kits, so look at that too!

Challenge!

You will probably need to wear a tie. Some of these clip on, but others need to be tied properly.

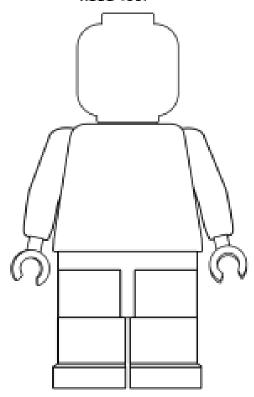

If you will need to wear a proper tie, see if you can learn how to tie one this week!

One of the different things about moving to secondary school is the change in what you will wear.

Use your new school website to draw and label the school uniform you will wear onto the Lego figure. Make a note of any sports kit you may need too.
