My Goals for Secondary School

When you go to Secondary School, you will learn a huge number of new skills, and improve skills you have practiced in Primary School.

From the suggestions below, choose at least 5 new skills or things you would like to build on in your years at Secondary School.

Then have a look at your school website again to see the different activities they offer. Which activities do you want to do? Are there activities not mentioned below?

When you have made your choices, or even added some in, design a page to show them, being as creative as you can.

Be in a school play or production	Speak another language	Represent your school in competition
Learn to play a musical instrument	Volunteer in the local community	Travel to another country
Play for a school team	Learn how to survive in the wild	Take care of the school garden
Learn how to manage money	Taste food from another country	Walk the school dog
Cook a new meal from scratch	Read new books	Take part in a fancy dress day
Create a piece of art	Raise money for charity	Become Head Boy or Girl
Learn how to read a map	Join an after school club	Learn to dance
Use computers to create your own website	Learn First Aid	Improve your singing
Make new friends from other schools	Work as part of a team	Try camping

Guten Tag!
