

You are the Woodview TV6 news reader!

**Every channel needs a news programme!
We need you to make ours!**

Your task is to make a short news broadcast, to show on our channel.

This could be about anything from your time at Woodview - a trip, a special day, a visit by someone, a lesson you loved, or something funny!

If you want to, you can even include a weather report!

Present and film your item. It should last for no longer than 1 minute 30 secs.

You can film your logo while you read your article, if you don't want to appear on screen.

If you are unable to film it, send in your script!
