

Maths Instructions - Week beginning May 4th.

If you are having difficulty accessing the White Rose materials, instead you can watch the BBC Bitesize programmes

For each Maths lesson, Monday to Thursday this week, use the link below to the White Rose website to watch the correct video before attempting the task each day.

You need to use the work for Summer Term, Week 2. Ignore the fact that the date says 27th April!

On Friday, you have a Maths challenge, which is on BBC Bitesize.
