One Step at a Time!

We hope you have good memories, as today you are going to write a little about every year you have been at school, and you can even include Nursery if you wish.

Think of the key things/s or people that stand out from each year - you don't need to give too much detail at this point. If you've been to more than one school, write about when you were there also.

The next page shows how you could set it out. It also includes Nursery.

Don't worry if you'd prefer to set it out differently - this is *your* book and *you* can decide!

One Step at a Time

Here is a look back at each year of your primary school life. What stands out? What can you remember? Who did you meet and where did you visit?
