

Wednesday 3rd June

### Family and friends

Today you will create a "Family and Friends" page.

The next page shows you what it could look like.

You may want to draw detailed drawings of people, but cartoons or stick figures are also fine.

Maybe you could even stick photos in?

Underneath each picture frame, you can explain why those people are so special to you.

We would also like you to start thinking back across your time at school, as tomorrow you will need to write about things that happened each year.

### Spelling

Remember to login to <https://pages.sumdog.com/> using your Mymaths login to play spelling games, as well as enter the Maths competition!

# My Family and Friends

Who are the people you class as family and friends?
