

Thursday 11th June

My teachers...

Today you are going to create a page for your booklet that will be a permanent reminder of your teachers. Think back across your time at school and remember who your teachers and teaching assistants were.

Create your own version of the next page (you don't need to make it look similar, you can completely redesign it) and include the staff members for each year group. Remember to add in any other staff members that have taught you that work with a range of year groups. Think about what these teachers taught you, how they made you feel and anything that was particularly fun or enjoyable that you did with them.

Spelling

Remember to login to <https://pages.sumdog.com/> using your Mymaths login to play spelling games.

Staff Members

Which staff members do you want to remember forever and what will you remember about them? What did they teach you and how did they make you feel?
