

Wednesday 10th June

Dear Class...

Today you are going to write a letter to your classmates, writing about: how you feel at the moment; the fun things you remember from the past and the parts that made you laugh and cry.

Ask your classmates questions to find out how they are getting on, such as how they are coping at the moment and how they feel about their new school in September. What are their worries? What are they excited about?

It is good to share our feelings and memories and you will think of many more things than I have mentioned above.
