

Monday 15th June

My New Secondary School

Today, we would like you carry out some research about your new secondary school and create a page to include key information.

You will need to look through any information that has been sent to you so far by your school, and carry out research on the school's website.

On the next page, there are some items that you should include in your page, but you can also include anything else that you think is really useful.

Transport

The other thing to consider today is how you will get to school. Some of you may be able to walk, others might travel by car, bus or train.

To complete your information page, you will need to begin to think about how you will get to school. You could find out which buses would be best, or how long it may take you to get there. You can do this by putting your postcode and the school postcode into google maps or similar, and it should give you different routes and timings depending on how you are travelling.

It may still be some time before you are able to practise your route for real, so do not worry about this. Instead, think about the different possibilities.

You will have a chance to look at your actual route next week.

My New Secondary School

School Name	
School Address and Telephone Number	
School website address and email address	
Name of the Head Teacher/Principal	
Name of the head of year 7 (and email)	
School Starts at	
School Finishes at	
I will get to school by	
How long will it take you to get to school?	
What time will you have to leave home?
