

Wednesday 17th June

Subjects ...

At your new school, you will also have the chance to study brand new subjects and topics.

First, take a look at your school website and see which subjects you will study in year 7, and perhaps which other subjects you will have the chance to take as you get older.

This may be under the title "curriculum".

Then look at the list of subjects below. Which will you study?

Are there other subjects not listed that you will have the chance to do?

- | | | |
|---------|-----------|-----------|
| English | Maths | Science |
| History | Geography | Computing |
| Art | PE | Music |
| Dance | Drama | RE |
| Cookery | Textiles | Woodwork |
| Spanish | French | German |

Finally, you can create a page like the one on the next sheet. You choose the 6 subjects you are most excited about studying - and tell us why!

Subjects at your New School

You will probably study many of the subjects below and possibly others.

Which 6 subjects are you most looking forward to and why...

Maths
English
Science
Geography
History
Computing

PE
Art
Music
